SKILLS

Python, JavaScript, HTML, CSS, ReactJS, NodeJS, ExpressJS, TailwindCSS, MongoDB, RestAPI, Git/GitHub, Data-Structures, Debugging, MySQL, SQL, DBMS, Object Oriented Programming, VS Code

Projects

Online Book Recommendation System | Machine Learning, HTML, CSS, JavaScript

- It is an innovative system that revolutionizes the way users discover new books by employing the powerful k-Nearest Neighbors (kNN) algorithm.
- By leveraging machine learning techniques, BookRec delivers personalized book recommendations tailored to each user's preferences.
- Book Recommendation calculates similarity between users and books, recommending titles based on similarity scores.

News App | HTML, CSS, JavaScript, ReactJS, APIs

- This React-based News App harnesses the power of the latest web technologies to deliver a seamless news browsing experience. With an intuitive user interface and robust functionality.
- Tailor your news feed to match your interests by selecting from a variety of categories such as politics, technology, sports, entertainment, and more.
- Enjoy a consistent and optimized experience across all devices, including desktops, tablets, and mobile phones.

ToDo-App | HTML, CSS, JavaScript

- Elevate your productivity with our JavaScript-based ToDo App, designed to streamline task management and organization.
- Enjoy automatic data persistence with the browser's LocalStorage, ensuring your tasks are saved even after closing the app or refreshing the page.
- Create, edit, and delete tasks with ease, all within a user-friendly interface.

EDUCATION

Pranveer Singh Institute of Technology B.Tech Computer Science Engineering	7.4 SGPA
Government Polytechnic, Unnao Diploma Computer Science and Engineering	70.89 %
Dr R.K.V.M. Inter College, Unnao Intermediate	78.4%
Zeenat H S S Hazari Tola, Unnao Highschool	77.6 %

CERTIFICATES

Python Programming | HackerRank 
Javascript | Infosys Springboard 
Data Structures and Algorithms using Python | Infosys Springboard 
Database Management System | Infosys Springboard 
Programming Fundamentals using Python | Infosys Springboard 

Achievements

6 Star Problem Solver & 5 Star Python Coder & Solved 400+ Problems | HackerRank  & Leetcode 
Ranked in the top 70 among the 2024 batch in my college. | HackerRank Hackathon at PSIT
Gate 2024 Qualified | computer science and information technology 

LANGUAGES

English | Full Professional Proficiency
Hindi | Native or Bilingual Proficiency
